

I Don't Have The Right

Writers: JT Hall & Fred Koller

Chorus:

I don't have the right to come on back to you
After all the things I haven't said or done
I don't have the right to say I love you
I'm not foolin anyone

I look into your eyes and see
The life you tried to share with me
The man who said that he'd never leave
I know now I was wrong to run from you

Repeat Chorus

Could you believe me if I promised you
I'd never make you cry again
Would you listen to a lonely fool
Would you take me back again

Chorus
