

Without You

Writer: Jeff Teague & JT Hall

I was a writer without words
A Poem without a ryme
A sailor without an ocean
A moment lost in time
A book hadn't been read
A thought that hadn't been said
I was a dream that wouldn't come true
Without you!

like a horse without a rider
In a race that hasn't been run
A promise left unspoken
On a day that was yet to see the sun
A star that hadn't been wished upon
On a moonless night, dark and long
I lived in a world that was blue
Without you!

Like the wind brings a change in the wearer
I knew we were destined to meet
And faith is the long road that led me
To the one...Who made my life complete

Instrumental

I found a love, that I never knew
Without you!
Without you!
